**SPEAKERS**

**Abner Suarez**

Abner Suarez's life is a testimony of the goodness and faithfulness of G-d upon a person's life. As a freshman in college, Abner's life and destiny would be forever altered through a moment of surrender that resulted in a life-changing encounter. Since that moment, Abner's life has been marked with a deep hunger to know G-d and to walk in an expression of His character and power as a lifestyle.

From that place of friendship with G-d, Abner began to understand the calling and assignment upon his life. The ministry of For Such A Time As This, Inc. was birthed with a G-d given assignment to fulfill Jesus' mandate to disciple nations (Matthew 28:16-20). A key paradigm by which this mandate is fulfilled is through the belief that the Church has entered a third apostolic reformation. At the foundation of this reformation is a people who intentionally build their lives upon friendship and fellowship with G-d. This message is woven into every aspect of For Such As This, Inc's assignment of equipping the Church.

Abner Suarez is the President of For Such A Time As This, Inc. He is an ordained minister with the Apostolic Network of Global Awakening under the leadership of Randy Clark. He holds both a Bachelor of Science and Master of Education degree from Campbell University in Buies Creek, North Carolina. He also holds a diploma of Master of Ministry from the Wagner Leadership Institute. He is an avid reader, coffee drinker, and suffering New York Jets fan.
